Operation Round Up

Small change that changes lives.

Flint@nergies

Your Touchstone Energy® Cooperative

Small change that changes lives.

As a community-minded cooperative, Flint Energies has a simple and effective program that improves the quality of life within the communities we serve. Operation Round Up[®] allows Flint Energies members to round up their monthly electric bill to the next whole dollar to reach out to others. This money, on average just \$6 per year per person, is then distributed to directly and indirectly benefit local residents through worthy projects and service organizations.

Make a difference locally.

With so many requests each year to make charitable contributions, it can be hard to assess one need against another and make satisfying personal donations. With Operation Round Up, however, you have the opportunity to have a much greater and more satisfying impact in meeting local needs, as the funds are distributed on your behalf. Operation Round Up also gives you the opportunity to make a difference in the lives of your friends and neighbors by providing funding for worthwhile projects in our area. For just a few dollars a year, you can help individuals in our 17 county service area by meeting local needs. Flint Energies Foundation, a state-chartered non-profit, 501(c)3 foundation directed by a volunteer group of community leaders, distributes all Operation Round Up money. Your donations will stay right here in middle Georgia.

As a community-minded cooperative, Flint Energies has a simple and effective program that improves the quality of life within the communities we serve.

How it works!

Participating members allow Flint Energies to round up their electric bill to the next whole dollar. For example, if your electric bill totals \$92.71, it would automatically be rounded up 29 cents to \$93.00. Your contribution would then be pooled with those from other participants and distributed to worthy causes. A few cents doesn't sound like much, but if every Flint Energies member participated we could round up more than \$440,000 per year!

Participants will receive an annual summary of their contributions on their January or February electric bills. Flint Energies will also keep you posted about each donation made by the Flint Energies Foundation. Your contributions are tax deductible.

Where does the money go?

Operation Round Up funds stay right here in the Flint Energies service area. Strict guidelines for awarding this money address needs such as health and human services, education or catastrophic intervention. Funds are never used for political purposes. In the past, we have helped:

- Local volunteer fire departments
- Substance abuse programs
- Literacy programs
- Educational programs and scholarships
- Shelters for women and children
- And so much more!

How can I help?

Signing up for Operation Round Up is easy. Simply fill out the attached reply card, and you can start helping with your next electric bill. You can also sign up by visiting our Web site www.flintenergies.com.

If you have any questions about Operation Round Up, please call Flint Energies toll-free at 1-800-342-3616.

Sign up today and help us change lives.

Complete the form below and mail it with your payment or drop it by one of our offices. You'll be glad you did!

Yes, I would like to participate in Operation Round Up.
